I began illustrating when I was five years old and I enjoyed Drawing and creating characters. As I was growing up my love and passion for comics grew more intense and I wanted to improve in my art skills so I attended The Joe Kubert school of cartooning in Dover, New Jersey in May of 2016. Shortly after I've been published on the official Walking Dead Magazine issue #18 aka contributing pin up artists on TWD mags same year. It was a shock to me Being part of TWD help start my career and move me into gear in comics Industry. Doing Many convention meeting with Comic creators, ,writers,artists and fans along the way .I also created my very own comic book series called Warriors Amongst Realms that was released back in August 1st 2018 .Im also CEO Ilocó productions Studio ,where I work with other artists & creators on many Indie projects..also working on launching a publishing company called Redwolf Comics coming Soon ..

# DYLAN (DJ DILI)

PRODUCER | REGGAE VOCALIST | DJ

## BIOGRAPHY

Dylan DilinJah, aka DJ Dili, was raised in Brooklyn, NY. He was sent to Grenada at 15 to focus on his future. Already writing music from the age of 10, he became a DJ/reggae vocalist at 16 and later on devoted his passion and energy into being an artist.

In 2002, Dylan auditioned along with 40,000 others for the reality show on MTV titled "Making The Band", spearheaded by hip hop mogul P. Diddy. Dylan was chosen to be a part of the group called "Da Band". The show was watched by over 50 million viewers and Dylan appeared in many publications. The fame he experienced after the hit show aired was accompanied by rejection and mockery. While others would have retreated, Dylan refused to give up.

His first solo album released in 2017 entitled "Pain 2 Power" documents his story and serves as motivation to others pursuing their dreams. His album was considered for a Grammy nomination that same year for "Best Urban Contemporary Album." In 2019, Dylan is ready to shake up the music industry with new music and projects. Now bringing in his first love: his DJ skills around the world. Stay tuned!

# THE STAGE OF DAN NELSON

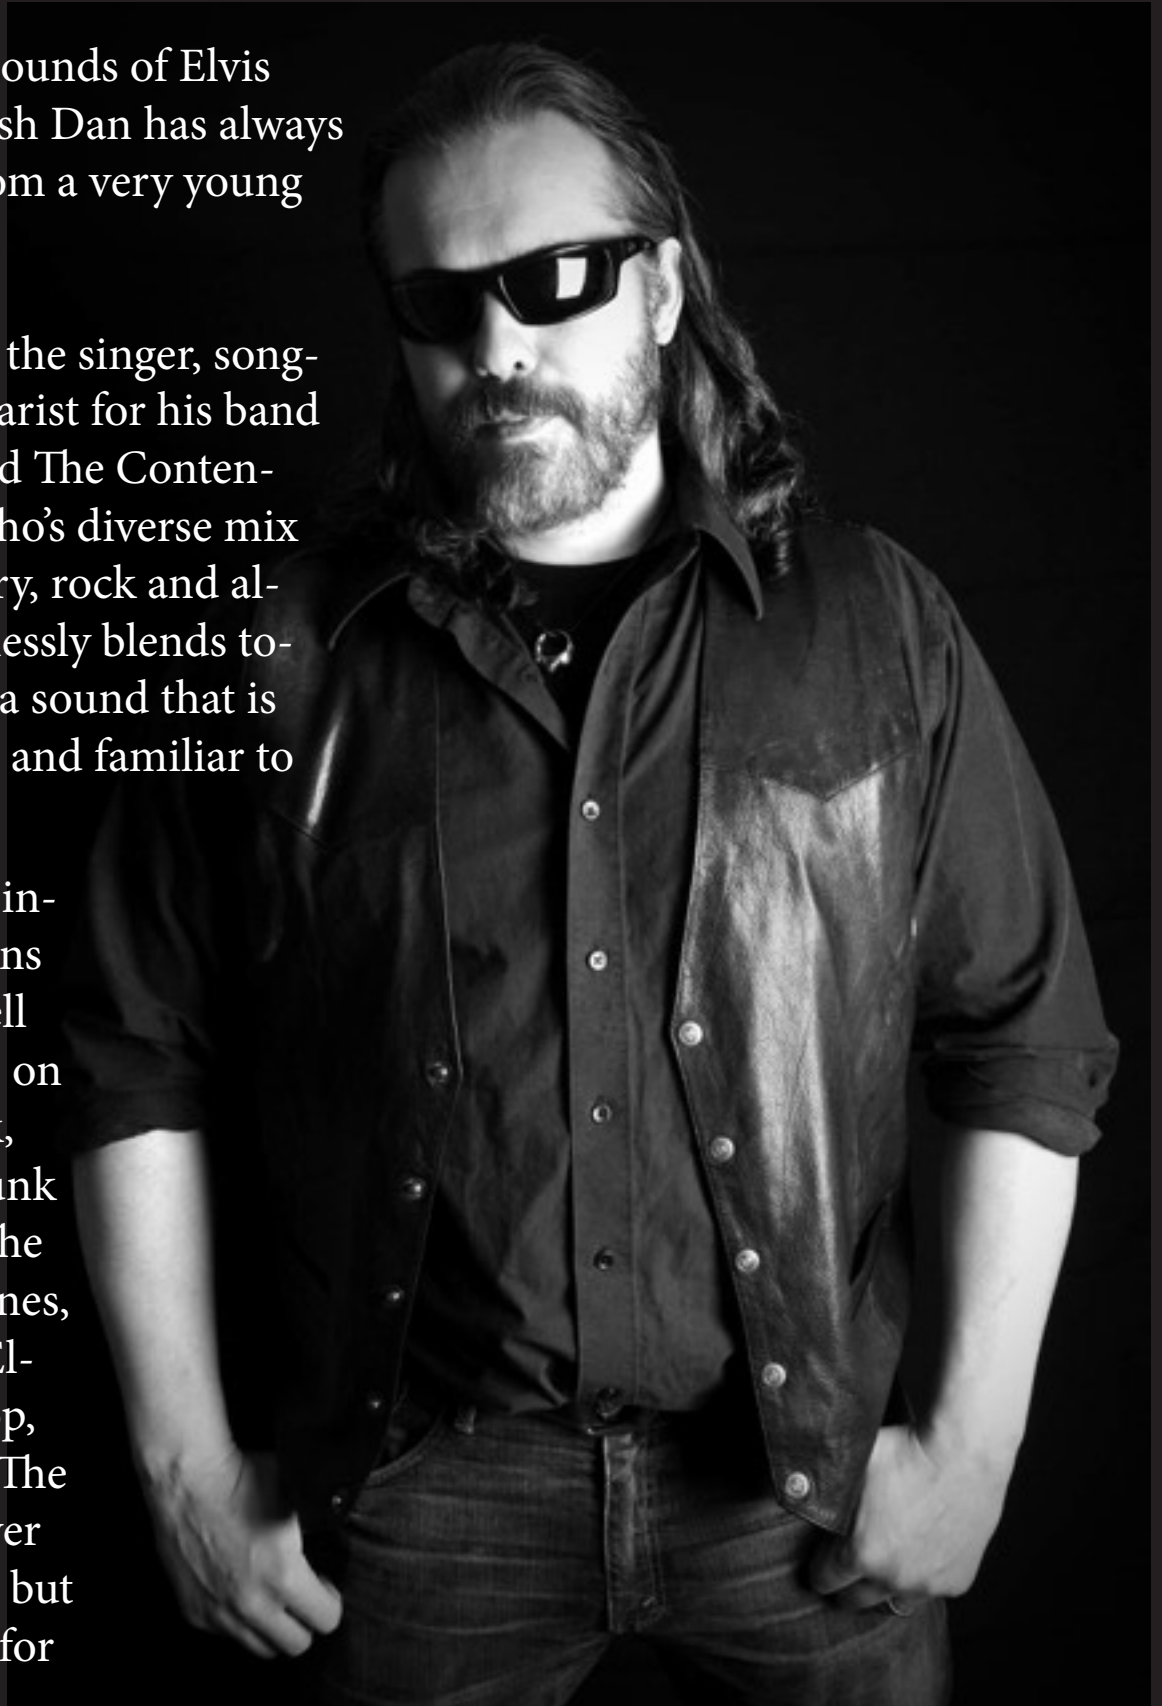

**DAN NELSON** is a singer/songwriter/musician and producer from Long Island New York.

Raised on the sounds of Elvis and Johnny Cash Dan has always loved music from a very young age.

He is currently the singer, songwriter and guitarist for his band Dan Nelson and The Contention. A band who's diverse mix of blues, country, rock and alternative seamlessly blends together to form a sound that is both infectious and familiar to ears of all ages.

With a set that includes both Dans originals, as well as his own take on classics by rock, country and punk icons such as The Doors, The Stones, Johnny Cash, Elvis and Iggy Pop, to name a few. The audience is never left unsatisfied, but always hungry for

more.

Dan's diversity in music has allowed him to perform, tour globally, write and record with many known name and international acts such as lead vocalist for both Anthrax and Black-Gates (featuring Paul Bostaph of Slayer), various recording and media projects with both AJ Pero and Mark "the animal" Mendoza of Twisted Sister, as well productions with members of UFO and Guns N' Roses.

Dan Nelson is also the co-writer on eight songs from the Anthrax album *Worship Music* (2011) as well as the song "Crawl" from the band's EP *Anthems* (2013).

In addition, Dan has also provided music and production for both the WCW and WXO Pro Wrestling organizations.

He has been a part of many movie soundtracks and also has dipped his foot into the acting pool on more than one occasion. A few of his credits include "Once upon a Time in Brooklyn" (featuring legendary rapper/actor Ice T), "Brutal Massacre: A Comedy" (featuring a star studded cast of horror icons), "House Call" as well as the upcoming "The

Regret Cycle” and “Mr. Wonderful”.

Dan Nelson’s current music is ready to take the world by storm. And Dan can play for any audience, be it solo, duo, trio or as full ensemble production...ready at all times, for any show or occasion.

Now, along with The Contention which includes longtime drummer Phil Deluxe and Bassist Paul Cronin...he has begun work on his first full length solo release.

A late 2019 album release is planned...With shows and tours to follow soon after.

To create and entertain is the end goal, and the goals have only begun to be ascertained. So you will definitely want to keep an ear out for what’s to come.
