THE  
REBORN

SWEET

@GDSING

No stranger to the stage Gina started doing theatre at age 11 in countless musicals and slowly grew into singing in local

bands at age 17 where she has done everything from doo whop to metal. She has been with her band HI DEF steady for 14 years and continues to do fill in work and work with

other projects on the side such as Side Hustle ny, Decadia,

The 70's Rock Parade and other local bands around the island.

She's always grateful for the opportunity to get on stage and rock out! She loves that her husband's passion for photography started with photographing Hi Def and because of that it has turned into more of a career for him today!
